

2008 Volunteer Informational Guidelines

Thank you for volunteering and for taking time to assist the Dodgeville Recreation Department with our 2008 summer programs. Without your efforts, our programs would not

Application for Employment.htm

As volunteer coaches we ask you to teach the skills and drills appropriate to each sport. Each child will learn at different rates so please be patient. You are free to teach as you see

You will be provided with team rosters. Please take attendance the first 2 weeks to help assist the Department in the registration process. Any questions or concerns should be

Once again, please remember this is a summer recreation program – the children should enjoy their time given to them. We are assisting in the development of motor skills, hand eye

THANK YOU FOR MAKING A DIFFERENCE!!

EQUIPMENT PROTOCOL

**Each week the equipment will be placed outside of the Wilson Shed. It is your responsibility to return all equipment at the end of practices and/or games.

INJURY REPORT

** First Aid kits are located in the shed and concession stand. Please document the following information should an injury arise. A notebook will be kept in the shed and concession stand

- Date & time of injury
- Child's name, address, phone #
- Extent of injury/brief description
- Follow up required by rec director

PROGRAM OVERVIEWS & GOALS

T-Ball: This is a great opportunity for your child/team to learn and work on the fundamental skills of batting, catching, base running, throwing and actual game play. Each team will have an assigned volunteer parent coach who will help with basic instruction but with the main

Coach Pitch: Children should understand the basics fundamental skills of batting, catching and base running. Each team will be assigned volunteer parent coach who will help run an organized practice that will improve these skills. Games are encouraged once drills are

Minor League: This league is a mid tier instructional division used to prepare players for Little League. The defensive team fields 10 players. A catcher, pitcher, 4 infielders and 4 outfielders will be utilized. During the course of the summer each player should have the opportunity to play every position on the field. The offensive team will utilize the continuous
